**Subject: Shared Resources for Congregate Housing**

The Department of Housing (DOH) is happy to announce a new resource: **Shared Resources for Owners, Agents, and Sponsors of Congregate Housing.**

This resource is located directly within the Department of Housing (DOH) web site. The purpose of this site is for DOH and Congregate Housing staff to share materials and resources related to the program. All materials are downloadable and categorized under the appropriate heading. Please note that these materials have not been approved by DOH unless explicitly stated in the document. Some materials are provided directly by DOH, while others are shared by your peers from our many different Congregate facilities.

You can access this resource by clicking on the following link or by copying and pasting it onto your browser's URL bar: <https://portal.ct.gov/doh/doh/policy-and-research/congregate-housing-for-the-elderly---shared-resources/main-page>. Bookmark the page or save to your Favorites for easy access. Feel free to share this resource with anyone amongst your staff; however, it is not intended to be a public resource and should not be widely distributed to those outside of your agency.

This is only the start, and we will add more documents as they are gathered. If you have resources you would like to share, please send them to Tawny Pho at [tawny.pho@ct.gov](mailto:tawny.pho@ct.gov). As a reminder, do not share any documents with Personally Identifiable Information. If there is anything you wish to redact, please do so before sending the document to DOH. We will also take your suggestions on other materials you would like to see on this page as this is a resource intended to help you.

If you have any questions, please contact Tawny.
